To advise the Faculty members regularly and specifically of their strengths and weaknesses, progress, and overall status.

3.5.2. Time Frame

3.5.2.1.

Although the FEP can begin at any time, the college Vice President, through the appropriate department/division chair, will be responsible for notifying a Faculty member early in the fall semester of the evaluation year. The FEP must be completed and submitted to the college Vice President by June 30th of the evaluation year.

3.5.2.2.

Faculty must complete or review and update a plan every year while "probationary" and every third year (or more often if the Faculty member desires) when "appointive."

3.5.2.3.

Each college Senate will appoint a "Resource Person" who is familiar with the FEP to help facilitate the process. The college Faculty/Staff Development Specialist is a suggested candidate for this position.

3.5.3. Areas for Evaluation

To complete an FEP, each Faculty member must engage in a self-examination of the three Required Areas and at least two of the Elective Areas. Examples of the following areas can be found in the Faculty Evaluation Plan guidelines.

3.5.3.1. Required Areas

3.5.3.1.1. Teaching, Learning, and/or Service

3.5.3.1.2. Course Assessment and/or Program Development/Revision.

3.5.3.1.3. Governance and/or Committee Participation at the College and/or District levels

3.5.3.2. Elective Areas

3.5.3.2.1. Professional Development

3.5.3.2.2. Acquisition of New Skills

3.5.3.2.3. Enhancement of Diversity

3.5.3.2.4. College Level Assessment of Learning Outcomes

3.5.3.2.5. Service to the Community

3.5.3.3. Related Areas

In addition to an assessment of these "Three Required Areas and Two Elective Areas," other "Related Areas" may also be selected by the Faculty member to review, in order to bring into better focus their full professional involvement at the college or within the District. See the FEP guidelines for examples.

3.5.4. Participants

The team will consist of:

3.5.4.1.

The Faculty member to be assessed will be the director of, and active participant in, the designing and implementation of their FEP plan. He/she will carry the major responsibility for gathering the information about and completing the plan to the best of the person's ability.

3.5.4.2.

A FEP committee member (to be chosen by the Faculty member) may be outside the Faculty member's discipline, department, or college.

3.5.4.3.

A third person will be chosen from the following: Another professional colleague, department/division chair, college Vice President, Faculty/staff development specialist, and advisory committee member or alumni.

3.5.4.4.

Students (or other services area recipients) will always provide input regarding teaching or service area performance via a customizable questionnaire or other appropriate measurement instrument. See FEP guidelines for details.

3.5.5. Verification of Compliance

At the conclusion of the process, the individual team members will review the documents submitted by the Faculty member to indicate his/her performance and goals in the areas outlined in the FEP and discuss them with the Faculty member. An "FEP Summary Endorsement Sheet" will be signed by the individual team members and also by the Department/Division Chair and appropriate Vice President, or Vice President's designee, to verify the work and indicate compliance with the process. A copy of the FEP Summary Endorsement Sheet will be filed with the appropriate Vice President, or Vice President's designee.

3.5.6.

The FEP guidelines may be modified by a majority of votes cast by the Residential Faculty, providing any modifications do not violate the policies and procedures outlined in 3.5.

3.6. Probationary Faculty Evaluation

In addition to the Faculty Evaluation Plan and student evaluations, the appropriate Vice President, or Vice President's designee, in conjunction with the Department/Division Chair, will meet with the first year probationary instructional/service Faculty during each semester of the first year and anytime during the academic year for the second through fifth years of employment in order to discuss the Faculty member's progress in the areas of committee/division/college/district assignments, Faculty development, and adherence to the college processes and procedures. The probationary Faculty member will receive a jointly written follow up report from the Vice President, or Vice President's designee, and Chairperson within eight weeks of the meeting or, if the meeting occurs within eight weeks of the end of a semester, no later than the end of that semester that summarizes the findings of the meeting. The report will indicate strengths, accomplishments, and areas of needed improvement, if any.

3.6.1.

Classroom evaluations conducted by the Vice President or Vice President's designee and Department/Division Chairperson or designee, (who shall be, in the case for Occupational Programs, the Occupational Program Director) for the probationary period will be mandatory. Classroom evaluations shall be conducted in each semester during the first two probationary years and in each year during the third through fifth probationary years. The Vice President or Vice President's designee and Department/Division chair or designee (who shall be, in the case for Occupational Programs, the Occupational Program Director) may at any time, with 24 hours advance notice, visit a classroom for evaluation of teaching and learning. The number of evaluation visits shall not exceed 4 per semester. By October 1st of the fourth and fifth academic years, the probationary Faculty member should be advised in writing, by the division/department chair or appropriate Vice President, of any deficiencies which may, if uncorrected, result in non-renewal of contract, and the probationary Faculty member shall have the remainder of the academic year to address said deficiencies.

3.6.2.

Fifth-year probationary Faculty will be notified in writing of any deficiencies arising after October 1st. The probationary period may be extended one additional semester for the affected probationary Faculty member per Section 1.2.10.2.1. Failure of the probationary Faculty member to correct said deficiencies in the additional semester will result in their non-renewal at the end of that semester.

3.7. Administrative Evaluation

3.7.1.

The College President, or designee, in response to a written, signed complaint from a student, Faculty member, or administrator, may initiate an administrative evaluation after advising the Faculty member; and, at the option of the Faculty member, will advise the College Faculty Senate President.

3.7.2.

The evaluation team for an administrative evaluation shall consist of the Vice President Academic Affairs, a Faculty member chosen by the evaluatee, and a Faculty member appointed by the College President who may ask that this Faculty member be appointed by the College Faculty Senate President. In no instance shall the Department/Division Chairperson of the evaluatee serve on the evaluation team.

3.7.3.

Prior to the evaluation, the College President, in consultation with the evaluation team, will determine the nature and scope of the evaluation. The results of the evaluation will be discussed with the evaluatee, the evaluation team, and, at the option of the evaluatee, the College Faculty Senate President. A report that explains the evaluation results will be placed in the evaluatee's official personnel file. The College President and the evaluatee will receive a copy of this evaluation.

3.7.4.

The College President will have thirty (30) days from his/her receipt of the report to take any action deemed necessary based on the results of the evaluation.

3.8. Experimental Program Personnel

Members involved in experimental programs retain full rights under the *Residential Faculty Policies*.

3.9. Legal Rights

Nothing in this policy shall be construed to deny or diminish any individual rights that a member has under the law.

3.9.1. Indemnification

3.9.1.1.

The Maricopa County Community College District ("Maricopa"), to the extent legally permissible, indemnifies and defends its employees against liability for acts or omissions arising out of and in the course of their employment for Maricopa or performing duties related to the conduct of Maricopa business. The General Counsel is authorized to represent Maricopa and/or the employee and direct the defense of any claim, action, suit or proceeding on behalf of Maricopa and the employee for which Maricopa is indemnifying the employee pursuant to this policy. Maricopa retains the right to direct, settle, compromise, appeal, and otherwise defend any such claim, action, suit or proceeding, including representation and the use of counsel as Maricopa deems desirable. In any such event, the employee is expected to cooperate fully.

3.9.1.2.

Employees are not represented by counsel employed or retained by Maricopa in grievance procedures, internal discrimination matters, employment dismissal, or other similar proceedings, as these are internal processes which seek to inform Maricopa, its administrators, and Governing Board members regarding the appropriateness of specific conflicts.

3.9.1.3.

Maricopa does not provide representation or indemnify employees with regard to criminal offenses, licensure, certification, or similar professional administrative or disciplinary actions, parking or moving vehicle violations, or fees, fines or penalties associated with such violations. Maricopa does not provide representation or indemnification for acts involving intentional misconduct, willful or knowing violation of the law, and transactions from which the individual derives an improper personal benefit. Each employee is expected to comply with federal and state laws, and local ordinances.

3.10. Personnel Files

The District shall maintain the official personnel files, which shall contain all materials relevant to the member's employment and shall be the sole repository of such materials with the exception of a college file. Only those materials permitted by law will be included in the official file. Each file will have attached a record for notation of names, dates, and purposes of persons reviewing the files. Only authorized personnel will be permitted to view employee files. A member shall have the right to:

3.10.1.

Review the contents of his/her file(s) upon request, except letters of recommendation and College/University placement files which, when submitted, request confidentiality.

3.10.2.

Receive a copy of any documents contained therein, except as noted in paragraph 3.10.1. above.

3.10.3.

Be notified, in writing, when material (other than of routine office nature) is being added to the file(s).

3.10.4.

Request the inclusion of relevant documents to be added to the file(s). (Determination of relevancy is the responsibility of the Director, Human Resources.)

3.10.5.

Request the removal of all inappropriate and/or obsolete documents from the files. (Determination will be made by the Director, Human Resources.)

3.10.6.

File a written response to be included whenever negative or derogatory information is placed in the file(s).

3.11. Personnel Relations

3.11.1.

All members shall be accorded treatment by their supervisors in a manner befitting the professionalism of all parties. In the interest of collegial relations, an issue may be resolved either through informal resolution or, thereafter, mediation before entering into the formal level of the grievance process as set forth in Section 6.1.2. or the escalated procedures set forth in 6.2.

To initiate this process, a party must contact the Faculty senate president, the department/division chair or the appropriate Vice President.

3.11.1.1 Informal Resolution Process

Informal resolution shall consist of an arranged meeting with all relevant individuals, e.g.: the parties involved, the appropriate department/division chair, the appropriate Vice Presidents(s) and the Faculty senate president or his or her designee.

3.11.1.2 Mediation Process

If all parties agree to mediate, the college Faculty senate president or other college senate officer will request that the office of the Vice Chancellor of Human Resources contact the mediation service. The Mediator (trained, certified, and neutral) will mediate, conciliate, and coordinate communication among disputing parties.

3.11.1.2.1.

The Mediator shall coordinate meetings and/or the exchange of correspondence between the disputing parties. The Mediator shall establish the time, date, and place of each meeting, giving at least 48 hours notice. If all parties agree, mediation can occur with less than 48 hours notice.

3.11.1.2.2.

The Mediator shall forward copies of the complaint and the mediation guidelines to the disputing parties. All mediation meetings shall be closed and confidential.

3.11.1.2.3.

If the matter is resolved through mediation, the Mediator shall prepare an Agreement within five (5) days of the completion of the mediation stating:

3.11.1.2.3.1.

The names of the parties;

3.11.1.2.3.2.

that the mediation was successful;

3.11.1.2.3.3.

the terms of the resolution.

Each party shall sign and date the Agreement at which time the mediation process ends.

3.11.1.2.4.

The notice of resolution, which will include the names of the parties involved, that the mediation was successful and the date of resolution, will be sent to the parties involved, the College Faculty Senate President, the appropriate Vice President(s), and the College President.

3.11.1.2.5.

Information received by the mediator during the mediation process will be confidential. Personal notes and minutes created or received during the mediation will be destroyed by the Mediator. The Mediator will not testify or provide statements about cases in which he or she were involved to grievance or any other committees or hearing boards.

3.11.1.2.6.

The Mediator may terminate mediation after meeting with each party at least once if it is apparent that the matter cannot be mediated.

3.11.1.2.7.

If the matter is grievable or subject to the Resolution of Controversy process, a party has an additional fifteen (15) working days from the termination of mediation to proceed with the formal level of the grievance process addressed in Section 6.1.2. in accordance with the terms thereof, or in the matter of a resolution of controversy, to the next applicable level of appeal as set forth in Section 6.2.

3.11.1.2.8.

The mediation process shall conclude within forty-five calendar days following the assignment of a mediator to the dispute. If no final resolution has been reached within that time, the mediation process shall cease; however, the mediator shall continue the mediation process for no more than fifteen additional calendar days if the mediator and all parties to the mediation expressly acknowledge that the mediation process has been constructive and that the mediator and all parties believe that continuing the process will lead to a successful resolution of the dispute.

3.11.2.

No Residential Faculty member shall be disciplined, reprimanded, suspended, or reduced in assignment or compensation without just cause.

3.11.3.

When any Residential Faculty member is required by the College President to appear before the Chancellor, Governing Board, or any committee thereof, concerning any matters that could adversely affect employment, he/she shall be entitled to select a representative and/or to have legal counsel present to advise and/or represent him/her during such meetings or interviews.

3.12. Probationary Faculty-Nonrenewal

3.12.1.

While Residential Faculty are originally employed with the intention that they are continuing employees, the Chancellor (upon the advice of a College President) may recommend to the Governing Board that a probationary Faculty member's contract not be renewed. The Chancellor or designee will deliver the notice of intent to recommend nonrenewal by delivering it personally to the member or by sending it by U.S. registered or certified mail directed to the member at his/her place of residence as recorded in the district records.

3.12.2.

The Chancellor's notice of intent to recommend non-renewal must be delivered in accordance with the following dates:

3.12.2.1.

Not later than March 1 for all members in probationary status. By October 1st of the fourth and fifth academic years, the probationary Faculty member should be advised in writing, by the division/department chair or appropriate Vice President, or Vice President's designee of any

deficiencies which may, if uncorrected, result in non-renewal of contract, and the probationary Faculty member shall have the remainder of the academic year to address said deficiencies.

3.12.2.2.

Fifth-year probationary Faculty will be notified in writing of any deficiencies arising after October 1st. The probationary period may be extended one additional semester for the affected probationary Faculty member per Section 1.2.10.2.1. Failure of the probationary Faculty member to correct said deficiencies in the additional semester will result in their non-renewal at the end of that semester.

3.12.3.

Within fourteen (14) days of the receipt of the Chancellor's note of intent to recommend nonrenewal, the member shall, upon request to the Chancellor, be orally advised of the reasons that contributed to the decision to recommend nonrenewal of employment. Such advisement shall be given by the appropriate College President within fourteen (14) days of receipt of the member's written request.

3.12.4.

Within fourteen (14) days of the College President's advisement of the reasons for nonrenewal, the Chancellor shall honor the member's written request to the Chancellor to confirm, in writing, the reasons given in advisement of nonrenewal. Such written confirmation shall be delivered to the member's place of residence via certified mail, registered mail, or personal service within fourteen (14) days of the Chancellor's receipt of the request.

3.12.5.

The process referenced here above shall be completed prior to any nonrenewal recommendation to the Governing Board, for action prior to April 30.

3.13. Suspension of a Faculty Member

3.13.1.

Upon a written statement of charges formulated by the Chancellor, charging a Faculty member of the District, the Chancellor, or his/her designee, may immediately suspend the Faculty member and give notice of suspension. At the option of the Faculty member, the District Faculty Association President will be notified of this action.

3.13.2.

The notice of suspension shall be in writing and be served upon the member, personally or by U.S. (registered or certified) mail, addressed to the Faculty member at his/her place of residence as recorded in the District records.

3.13.3.

Any Faculty member who has been suspended pursuant to this section will normally be paid his/her regular salary during the period of suspension. A suspension without pay will occur only upon advice of General Counsel. If payment is to be withheld, the Vice Chancellor of Human Resources will first

consult with and advise the member and, at the option of the Faculty member, the District Faculty Association President regarding the rationale for that action.

3.14. Administrative Leaves of Absence

3.14.1. Criminal Complaint

3.14.1.1.

If a Faculty member is charged by criminal complaint, information, or indictment with any criminal offense, which would be cause for dismissal, the Chancellor or designee may immediately place the member on compulsory leave of absence for a period of time extending for not more than ten (10) days after the date of entry of judgment in the proceedings.

3.14.1.2.

Pay during this period will be based on the same consideration as in paragraph 3.13.3.

3.14.2. Complaints—Other Than Criminal

3.14.2.1.

The Vice Chancellor of Human Resources may, if it is appropriate, place a Faculty member on paid administrative leave of absence. At the option of the Faculty member, the District Faculty Association President will be advised.

3.14.2.2.

Pay during this period will be based on the same consideration as in paragraph 3.13.3.

3.15. Faculty Member Dismissal—Probationary and Appointive

A Faculty member who is recommended, by the College President, through the Chancellor, to the Governing Board, for dismissal shall have access to the following due-process procedures.

3.15.1.

A written statement of charges, formulated by the College President, shall be forwarded to the Vice-Chancellor of Human Resources. After review of the charges, the Vice-Chancellor, in consultation with the District Legal Office, may recommend, to the Chancellor, that there exists prima facie cause for the dismissal of a Faculty member. The Chancellor shall inform the Governing Board in writing, with a copy of the recommendation being sent (U.S. certified or registered mail) to the Faculty member at his/her place of residence as recorded in the District records. The Vice-Chancellor's recommendation will give notice to the Chancellor, Governing Board and the Faculty member of the intention to formally recommend dismissal, which shall not be sooner than thirty (30) days from the date of the letter, nor later than the end of the current academic year.

3.15.2.

A written statement of charges shall be provided to the Chancellor, Governing Board and the Faculty member as an attachment to the notification outlined in the preceding paragraph. The statement of charges shall state, if applicable, the statutes, policies, rules, or written objectives of the College that the Faculty member is alleged to have violated. The statement of charges shall be of such specificity that the Faculty member will be able to prepare a defense based on the statement.

3.15.3.

The Faculty member shall have the right to a hearing by filing a written request with the Vice-Chancellor within five (5) working days after being served with a notice of intent to dismiss. The filing of a timely request shall suspend the dismissal procedure, pending the completion of the hearing.

3.15.4.

Upon request, a Hearing Committee shall be constituted within five (5) working days and shall be composed of three (3) Faculty members: one (1) appointed by the Chancellor, one (1) selected by the President of the Faculty Association, and one (1) selected by the member. All three (3) shall be appointive Residential Faculty. The committee member selected by the Chancellor and the President of the Faculty Association will be from colleges other than the college where the Faculty member recommended for dismissal is assigned. The committee shall be considered constituted when the hearing committee and the Faculty member have been informed by the Faculty Association President of the committee's formation.

3.15.5.

The Hearing Committee shall select a Chair. Unless the parties stipulate to extend the time beyond that which is set forth below, the Chair shall conduct a meeting with the attorney representing the District and the Faculty member and/or his/her attorney/representative no later than twenty (20) working days after the formation of the committee for the purpose of exchanging exhibits, witness lists and summaries of witness testimony. The Chair may choose to deny admission of an exhibit(s) or witness testimony for failure to comply with this section.

3.15.6.

Unless the parties otherwise agree, the Hearing Committee shall conduct the hearing no later than ten (10) working days after the exchange of information detailed in section 3.15.5. Prior to the hearing, the employee must declare, in writing, whether he/she wishes the hearing to be public or in executive session. The member may attend the hearing; present any testimony, evidence, or statements, oral or written, in his/her behalf; and be represented by legal counsel or other representative. It is expressly understood the act of testifying will not be subject to reprisal by the District.

3.15.7.

Within five (5) working days after completion of the hearing, the Hearing Committee shall provide the Chancellor, and the Faculty member with a summary of the evidence that was presented during the hearing. In addition, the Hearing Committee shall render binding written findings of fact and conclusions of law and forward these along with its recommendation regarding dismissal to the Chancellor. The above deadline may be extended up to fifteen (15) working

days after completion of the hearing, if the Hearing Committee requests briefs and/or recommended findings of fact and conclusions of law from the parties.

3.15.8.

After receiving the Hearing Committee's summary of evidence, findings of fact, conclusions of law, and final recommendation in regard to dismissal, the Chancellor, may meet with the Hearing Committee to clarify any questions he/she may have. The Chancellor shall have ten (10) working days in which to review the recommendation regarding dismissal. The Chancellor may adopt the Hearing Committee's recommendation regarding dismissal or make his/her own recommendation and forward the recommendation along with the summary of the evidence, a copy of the findings of fact, conclusions of law, and final recommendations of the Hearing Committee to the Governing Board.

3.15.9.

The Governing Board will meet with the Faculty member and/or his/her representative and a representative of the administration to hear arguments regarding the Chancellor's and the Hearing Committee's recommendation regarding dismissal. This meeting will be an executive session unless the Faculty member chooses to have this meeting in public. The parties shall have no less than one-half hour to present their respective cases. The length of the meeting shall not exceed one (1) hour.

3.15.10.

The Governing Board, at a public meeting, shall render a final decision for retention or dismissal of the Faculty member. A copy of the final decision shall be sent (U.S. certified or registered mail) to the Faculty member at his/her place of residence as recorded in District records. It is expressly understood that the Governing Board decision does not diminish the Faculty member's right to seek other legal remedies under local, state and federal law.

3.16. Membership in and Representation by Professional Organizations

Faculty members will have complete freedom in selecting the professional organizations they may join, or refrain from joining.

3.17. Faculty Transfer/Reassignment Policy

3.17.1.

Since the employment notification from the Maricopa County Community College District states that a Faculty member is employed by the District, a Faculty member may request a transfer or be transferred from a discipline or service department at one college to a similar discipline or service department, if qualified in that discipline or service department, at another college.

3.17.2.

In the case of an employee-requested transfer, the following steps will be observed.

3.17.2.1. Basic to Transfer Determination

3.17.2.1.1.

The preference of the member for a particular college;

3.17.2.1.2.

Protecting the employment of appointive Faculty in the event of overstaffing in the present assignment;

3.17.2.1.3.

Meeting the staffing needs educationally and/or numerically of another college/facility; and/or

3.17.2.1.4.

Improving working relationships.

3.17.2.2. Requisites for Transfer

3.17.2.2.1.

All parties concerned will provide input into the transfer decision including, but not limited to, the following: College Presidents, Vice Presidents of Instruction, Department/Division Chairpersons of the appropriate colleges, in addition to the member requesting transfer.

3.17.2.2.2.

The determination of transfer will be based upon, but not limited to, the following considerations: (a) willingness of transferee; (b) reciprocal need for transfer; (c) academic qualifications of transferee; (d) compatibility within receiving department/division structure; and (e) mutual residential agreement.

3.17.2.2.3.

Members will follow procedures as outlined by the Human Resources Division.

3.17.2.3.

The parties recognize that there are occasions necessitating the reassignment of Faculty when the steps outlined in the voluntary transfer policy are not appropriate or do not meet the needs of the situation.

3.17.2.3.1.

In such instances, decisions to reassign Faculty will be authorized by the College President(s) who are involved, with the concurrence of the Vice Chancellor of Human Resources. The Faculty member(s) will be advised as far in advance as possible of any decision to implement an involuntary transfer.

3.17.2.3.2.

Affected Faculty members shall have the right to appeal (in writing) such reassignment. Such appeal must be delivered to the Vice Chancellor of Human Resources within fifteen (15) days of the original notice of reassignment. The Vice Chancellor of Human Resources will review the circumstances of the reassignment, determine whether to sustain the appeal or not,

and notify the Faculty member and provide a decision in writing within thirty (30) days of receipt of the appeal. The Faculty member will have the right to appeal the decision of the Vice Chancellor of Human Resources to the Chancellor for a final decision. Such appeal must be delivered to the Chancellor within fifteen (15) days of written notification of the Vice Chancellor's decision. The Chancellor will advise the affected Faculty member, the affected College President(s) and the Governing Board of his/her decision regarding the transfer appeal within 30 days of the receipt of the appeal. In the event the reassignment location has not been finalized, an update will be provided in writing every thirty (30) days.

3.18. Reduction in Force

3.18.1. Retraining

In order to avoid or defer a reduction in force, a President or Provost may request that funds be expended to provide training to Faculty employed in a service or program the President or Provost would otherwise recommend be reduced or discontinued. Any determination that funds be expended pursuant to this paragraph is wholly within the discretion of the President or Provost and is contingent upon the availability of such funds. The President or Provost may appoint an advisory committee to assist him/her in the above.

3.18.2. Grounds, Deadlines

3.18.2.1.

Prior to October 1, a President or Provost shall notify the Chancellor of any determination that a particular kind of service or program should be reduced or discontinued for the succeeding academic year. Before notifying the Chancellor, the President or Provost shall consider program enrollment, effect on budget, impact on workforce, and any other factor the President or Provost deems material to a determination that a particular kind of service or program should be reduced or discontinued.

3.18.2.2.

Prior to submitting a recommendation to the Governing Board, the Chancellor shall pursue alternative means for reallocation of resources in order to avoid a reduction in force. Such alternatives shall include, but are not limited to, solicitation of voluntary resignations, requests for transfer, multiple-college assignments or transfers that could include day and evening assignments, teaching a reduced load for reduced pay, and implementation of an early retirement program for appointive Faculty.

3.18.2.3.

Following recommendation by the Chancellor, the Governing Board may, upon a determination that a particular kind of service or program is to be reduced or discontinued, and that it is therefore necessary to decrease that number of Faculty, terminate the employment of Faculty by means of a reduction in force. Completion of the reduction in force shall effect the termination of employment of Faculty necessary to reduce or discontinue the service or program as ordered by the Governing Board.

3.18.2.4.

Prior to February 1, the Vice Chancellor of Human Resources shall cause to be delivered written notice to all Faculty in the District in every discipline subject to the reduction in force that such action may be recommended to the Governing Board.

3.18.3. Definitions

3.18.3.1. One-Semester-Only.

Temporary employment pursuant to a one-semester contract, with no continuous employment rights.

3.18.3.2. One-Year-Only.

3.18.3.3. Probationary.

An employment status of a Residential Faculty member who has not attained appointive status.

3.18.3.4. Appointive.

An employment status of a Residential Faculty member attained at the beginning of his/her sixth consecutive year calculated from the date of the first contract.

3.18.3.5. Seniority.

For purposes of this policy, "seniority" means the length of service teaching in a full-time Faculty position in the District, measured from the first day of paid service in a probationary Faculty assignment. In a reduction of force, an instructor with greater seniority shall be favored for retention in a position over an instructor with less seniority.

3.18.4. Priorities

3.18.4.1.

A reduction in force shall be accomplished in accordance with the following procedures:

3.18.4.2. Step I

3.18.4.2.1.

3.18.4.2.1.3.

One-year-only

3.18.4.2.2.

If the reduction in force may be completed by not rehiring fewer than all eligible instructors within a category, the selection of any individual who shall not be rehired is wholly within the discretion of the Vice Chancellor of Human Resources. If, following exhaustion of the process prescribed in Step I, the reduction in force has not been completed, the process prescribed in Step II shall be followed.

3.18.4.3. Step II.

Employment shall be terminated among all probationary Faculty in the District in those disciplines subject to the reduction in force on the basis of seniority as defined in 3.18.3.5. If, following exhaustion of the process prescribed herein, there are two or more individuals holding the same seniority status and the number of individuals exceeds the number of instructors whose employment must be terminated in order to complete the reduction in force, the selection of any instructor whose employment shall be terminated shall be by an equitable selection process such as a lottery. The Vice Chancellor of Human Resources or designee shall employ best efforts to offer alternative employment within the District to each probationary Faculty instructor whose employment is terminated pursuant to this process. If, following exhaustion of the process prescribed in Step II, the reduction in force has not been completed, the process prescribed in Step III shall be followed.

3.18.4.4. Step III.

Employment shall be terminated among all appointive Faculty in the District in those disciplines subject to the reduction in force, on the basis of the following criteria in the following order of priority:

3.18.4.4.1. Seniority, as that term is defined in 3.18.3.5.

3.18.4.4.2. Continuity

3.18.4.4.2.1.

The criterion of continuity shall be considered only if there are two (2) or more individuals holding the same status and the number of individuals exceeds the number of instructors whose employment must be terminated in order to complete the reduction in force.

3.18.4.4.2.2.

For purposes of this policy, "continuity" means a total number of points associated with an instructor as calculated on the basis of the following factors:

3.18.4.4.2.2.1.

One (1) point for each semester during which the instructor has taught on a full-time basis in the District in a discipline subject to the reduction in force;

3.18.4.4.2.2.2.

Ten (10) points if the instructor, during the semester immediately preceding the calculation of points, taught in the district at least one (1) class in a discipline subject to the reduction in force. If the instructor did not teach in such a discipline during the immediately preceding semester, the point total of this factor shall equal ten (10) minus the number of intervening semesters since the most recent semester during which the instructor taught in the District at least one (1) class in a discipline subject to the reduction in force. In no event shall the total points for this factor equal less than zero.

3.18.4.4.2.2.3.

Three (3) points if the instructor has earned thirty (30) or more upper division or graduate semester hours, or the equivalent thereof, in a discipline that is subject to the reduction in force.

3.18.4.4.2.3.

In a reduction in force, an instructor associated with a greater number of points in a calculation of continuity shall be favored for retention in a position for which the instructor is certified over an instructor with a lesser number of points.

3.18.4.4.3. Horizontal placement on salary schedule

3.18.4.4.3.1.

The criterion of horizontal placement on salary schedule shall be considered only if there are two (2) or more individuals holding both the same seniority status and the same continuity status and the number of such individuals exceeds the number of instructors whose employment must be terminated in order to complete the reduction in force.

3.18.4.4.3.2.

In a reduction in force, an instructor shall be favored for retention in direct relation to where the instructor's

salary is situated on the salary schedule effective during the academic year in which the reduction in force is to be completed. An instructor whose salary is situated further to the right on the salary schedule shall be favored for retention in a position for which the instructor is certified.

3.18.4.4.3.3.

If, following exhaustion of the process prescribed herein, there are two (2) or more individuals situated in the same column of the salary schedule effective during the academic year in which the reduction in force is to be completed and the number of such individuals exceeds the number of instructors whose employment must be terminated in order to complete the reduction in force, the selection of any instructor whose employment is to be terminated shall be by an equitable selection process such as a lottery.

3.18.4.4.3.4.

The Vice Chancellor of Human Resources or designee shall employ best efforts to offer alternative employment within the District to each appointive Faculty instructor whose employment is terminated pursuant to this process.

3.18.5. Reinstatement.

A probationary or appointive instructor whose employment has been terminated pursuant to a reduction in force shall have the option of reinstatement for two (2) years and shall be reinstated in inverse order of reduction in force, provided the instructor is qualified to perform the assignment for which he/she is being recalled and is recommended for reinstatement by the Chancellor. In the event that two (2) or more members equally qualified have the same termination date, the first member to be recalled shall be the one who has the greatest seniority.

3.18.6. Notice and Hearing

3.18.6.1.

Prior to March 1, a notice shall be delivered to any probationary or appointive instructor whose employment will be recommended for termination pursuant to a reduction in force. The notice shall be in writing and delivery is effective upon deposit in U.S. mail sent via certified delivery to the instructor's place of residence as recorded in the Employee Records and Information Center or upon delivery personally to the instructor. The contents of the notice shall include:

3.18.6.1.1.

The effective date of termination;

3.18.6.1.2.

The basis, procedures, and criteria used in the reduction in force;

3.18.6.1.3.

A summary of procedures under which the instructor may appeal the decision to recommend termination of employment; and

3.18.6.1.4.

A description of the reinstatement rights of the instructor.

3.18.6.2.

A probationary or appointive instructor whose employment is recommended for termination pursuant to a reduction in force may appeal the recommendation to the Governing Board. Such appeal shall be made by delivery of a written notice of appeal to the office of the Governing Board no later than fourteen (14) calendar days following receipt of the notice of recommendation for termination. The notice of appeal shall include a complete statement of the grounds upon which the proposed reduction in force is alleged to have been administered improperly.

3.18.6.3.

A hearing on the instructor's appeal shall take place within twenty (20) calendar days following receipt of the notice of appeal. The hearing shall be conducted by a hearing officer selected by the Vice Chancellor of Human Resources. If the parties are unable to stipulate on the hearing officer, each party shall nominate a qualified candidate to serve as a hearing officer (previous experience as a hearing officer in resolving employment disputes at one or more educational institutions). The choice of the Hearing Officer shall be made pursuant to an equitable selection such as a coin flip.

3.18.6.4.

The instructor and the District each shall, no fewer than seven (7) calendar days prior to the hearing, file with the hearing officer a written statement. The instructor's statement shall specify the instructor's name, position, and duties; a comprehensive summary of all pertinent facts that are the basis of the appeal; and a list of witnesses the instructor will present at the hearing. The District's statement shall include a comprehensive summary of all pertinent facts which the District relied upon as justification for the reduction in force and a list of witnesses the District will present at the hearing.

3.18.6.5.

The hearing shall be conducted in an informal manner without reliance on formal rules of evidence or procedure. An audio tape record of the hearing shall be made and copy made available for either party on request. The hearing officer shall consider all evidence that is reliable and probative and shall exclude evidence that is unduly repetitious. Each party may call witnesses for testimony, and have the right to cross-examine witnesses. The instructor shall have the burden of proving, by clear and convincing evidence, that the proposed reduction in force was administered improperly.

3.18.6.6.

The hearing officer shall, within twenty (20) calendar days following the conclusion of the hearing, issue a report containing a recommendation to the Governing Board on the disposition of the instructor's appeal. The report shall include a summary of facts relied upon by the hearing officer, a determination of the issues, and conclusions regarding the appeal.

3.18.6.7.

The Governing Board may adopt, modify, or reject the decision of the hearing officer. The decision of the Governing Board shall include facts relied upon for the decision, a determination of the issues, and conclusions regarding the appeal. Action taken by the Governing Board regarding the instructor's appeal is not subject to any further appeal within the District.

3.18.7.

The process referenced here above if requested by a probationary or appointive instructor shall be completed prior to any action by the Governing Board upon any recommendation that employment of the instructor be terminated due to a reduction in force. This Board action must be completed prior to June 30.

4. COMPENSATION AND HIRING PRACTICES

4.1. Salary Schedule

For the fiscal year 2010-2011, the salary schedule will be adjusted upward .6 percent (.6%) effective July 1, 2010.

4.2. Salary Placement

Placement of Faculty on the salary schedule will be determined in accordance with section 4.3. below.

4.2.1.

All Faculty must meet the Maricopa Community Colleges' Faculty hiring qualifications for academic and occupational teaching fields.

4.2.2.

The Maricopa Community College District, whether for purposes of initial employment or for vertical or horizontal advancement on the salary schedule, recognizes only those academic credits and/or degrees earned at accredited institutions eligible for inclusion in the Education Directory, Colleges and Universities, U.S. Department of Education. Accrediting references will be kept current and on file in Employee Services.

4.3. Credit for Prior Experience

4.3.1.

On the schedule for academic placement, a master's degree with 24 upper division and/or graduate semester hours in the teaching field, or a masters in the teaching field is required for Step 1. Additional hiring qualifications that have been recommended by Instructional Councils will be used to place the individual at Step 1.

4.3.2.

On the schedule for occupational placement, the minimum requirement for placement on Step 1 is a Bachelor's degree plus three (3) years of occupational experience in the field to be taught, or an AA degree or 64 credits plus five (5) years occupational experience in the field to be taught, or five (5) years occupational experience in the field to be taught or a Master's degree with 24 upper division credits and/or graduate credits in the field to be taught. Those individuals who use solely the 5 years occupational experience as a minimum requirement for placement will be placed horizontally at Step 1 and will receive no additional horizontal movement on the salary schedule.

4.3.3.

For placement, credit will be given at the rate of one (1) step on the salary scale for each year of full time teaching experience and/or occupational experience up to five (5) years. Credit for full time teaching and/or occupational experience beyond five (5) years will be given at the rate of one (1) step for each two (2) years of experience. Any fractional parts will not be counted.

4.3.3.1.

An accumulation of adjunct teaching experience will be counted; thirty (30) credit hours equals one year. An accumulation of two thousand

(2000) hours of documented employment, full or part time, equals one (1) year of occupational experience. Credit will be given at the rate of one (1) step on the salary scale for each year of teaching and/or occupational experience up to five (5) years. Credit for teaching experience and/or occupational experience beyond five (5) years will be given at the rate of one (1) step for each two (2) years of experience. It is the responsibility of the Candidate/employee to supply Employee Services with verification.

4.3.3.2.

In the job posting, if the position requires additional academic experience and/or additional work experience, credit will be given at the rate of one (1) step on the salary scale for each year of full time teaching and/or work experience up to five (5) years. Credit for full time teaching and/or full time work experience beyond five (5) years will be given at the rate of one (1) step for each two (2) years of experience.

4.3.3.3.

If the job posting requires a dual discipline, one discipline will be used to place the individual at minimum salary; the other discipline will be used for additional horizontal and vertical salary placement.

4.3.3.4

The maximum credit allowable for prior experience, may not exceed a total of nine steps beyond Step One (1) on the salary schedule.

4.3.3.5.

K-12 teaching experience will follow Section 4.3.3.

4.3.3.6.

The highest horizontal academic initial placement is the doctorate level.

4.3.3.7.

The changes in this provision become effective for any new Residential Faculty member with a starting date on or after July 1, 2007.

4.3.4.

The Vice Chancellor of Human Resources, in consultation with the Vice Chancellor for Academic Affairs, may grant additional steps (not to exceed Step 10). Consideration for extra steps will be given in those cases where the applicant(s) selected by the College President is (are) unwilling to accept the position strictly on the basis of the salary that was offered when computed in accordance with the preceding paragraph. When consideration is given for the granting of additional steps, the Vice Chancellor for Academic Affairs (or designee) shall convene an ad hoc committee consisting of the following persons or their designees: District Faculty Association President, Faculty President at the affected college/education center, and the College President/Provost at the affected college/education center. The Vice Chancellor for Academic Affairs will chair the committee and will be entitled to a vote. Additional steps will be granted only if there is unanimity among the committee members.

4.4. Salary Placement Review Board

4.4.1.

Only within the first twelve (12) months of employment as a Residential Faculty member, a member may appeal his/her vertical and/or horizontal placement to the Faculty Association President. If the Faculty member's appeal occurs within the first twelve (12) months of his/her employment, the Faculty Association President will convene a review committee to review his/her initial salary placement as prescribed by the Employment Department Guidelines. The review committee will consist of four (4) members from the Faculty with the Faculty Association President, or designee, serving as chair. The Chair will appoint two (2) members: one (1) member will be appointed from the Professional Growth Committee and one (1) member from the appropriate instructional council. The fourth member will be the respective college/center Faculty Senate President or designee.

4.4.2.

The purpose of the committee will be to (1) review the case with the concerned Faculty member; (2) meet with the Vice Chancellor of Human Resources, or designee, to discuss the case; and (3) make written recommendations to the said Vice Chancellor. The Vice Chancellor, upon receiving the written recommendation, will communicate, in writing, his/her decision within fifteen (15) working days.

4.5. Horizontal Movement on the Salary Schedule

4.5.1.

All Residential Faculty members move horizontally on the salary schedule for each credit hour beyond the minimum entering requirement up to a maximum of eighty-five (85) semester hours unless the member has earned a doctoral degree.

4.5.2.

To receive credit, a nondegreed member must (a) file a course of study leading to an associate in arts degree, or (b) file a listing of technical and general education courses accepted by the Department/Division Chairperson, Vice President Academic Affairs, the College President, and the Professional Growth Committee.

4.5.3.

If the administration requires additional study by the nondegreed Faculty member, the salary will be adjusted accordingly.

4.5.4.

Residential Faculty members will be granted additional increments to their base salary for acceptable credit, including the doctoral degree, as indicated on the salary schedule. (See Appendix E.)

4.6. Vertical Movement on the Salary Schedule

4.6.1.

Subject to annual recommendation by the Chancellor and approval by the Governing Board, the Residential Faculty may be authorized for advancement

vertically through the steps of the salary schedule at the rate of one (1) step per year of service.

4.6.2.

Increment and/or Salary Increase Withholding for Individual Faculty Members. Upon recommendation of the College President, the Chancellor of the District may withhold the recommendation for vertical advancement or salary increases for any of the following reasons:

4.6.2.1.

Lack of sufficient success in the classroom.

4.6.2.2.

Giving insufficient time and effort to duties assigned or failure to perform a reasonable amount of extracurricular activities.

4.6.2.3.

Lack of adherence to the adopted policies of the District. Notification must be made prior to April 15.

4.6.3.

Any individual Faculty member denied an increment or salary increase may appeal no later than April 20 to the Vice Chancellor of Human Resources. Within fifteen (15) days of such appeal, the Vice Chancellor for Academic Affairs shall convene a review committee. The committee will be composed of the Vice Chancellor for Academic Affairs, the President/Provost of the College/Center, and two (2) members from the Faculty appointed by the local College Faculty Senate President. The Faculty member may be present at the hearing, along with a representative of his/her choice. If a College does not have a College Faculty Senate President, the College President/Provost will convene the Faculty to elect the Faculty representatives. The committee will review the evidence and forward a recommendation to the Chancellor. The Chancellor will review the evidence, consider the advice of the committee, and render a final decision no later than May 15.

4.7. Restrictions and Exceptions to Advancement

4.7.1.

In order for a Faculty member to be advanced one (1) vertical step on the salary schedule, that Faculty member shall have worked at least one (1) full semester as a Residential Faculty member. If the member worked less than one (1) full semester as a Residential Faculty member, he/she will remain on the same step of the schedule for the following year.

4.7.2.

Twenty-four (24) credit hours of approved study are required to progress to Step 14.

4.7.3.

The maximum vertical progression for nondegreed Faculty members is Step 9, unless a prescribed plan of educational/professional development is completed

and approved by the Vice Chancellor of Human Resources, Vice Chancellor for Academic Affairs, and the District Professional Growth Committee.

4.8. Other Paid Duties and Benefits

All other paid duties, rates of pay, as well as other benefits, for Residential Faculty shall be in the Appendices (A, B, C, D, E) of this *Residential Faculty Policies* manual.

4.9. Employment for Less Than Contract Year

For members working less than the regular contract year, pay shall be prorated on the basis of the number of days actually worked.

4.10. Employment for Less Than One Hundred Percent (100%) Time

For members working less than a full contract load, pay shall be prorated on the basis of a percentage of load actually worked.

4.11. Professional Growth Activities

Professional Growth activities are administered in compliance with Appendix A.

5. EMPLOYMENT CONDITIONS

5.1. Calendar

5.1.1. Contract Year

5.1.1.1.

The academic year for Residential Faculty shall consist of 195 consecutive days between mid-August and mid-May, of which 170 shall be days of accountability. The contract year commences on July 1 and continues through June 30.

5.1.1.2.

Exceptions to the above may be made, by mutual agreement between the Faculty member and the College President, so long as the Faculty member work load is equivalent to that required in other sections of this policy manual. Such exceptions must also be approved by the Vice Chancellor of Human Resources.

5.1.1.3.

Mutually agreeable prorated Faculty contracts of a duration greater than 195 days may be approved by the College President after consultation with the Department/Division Chairperson of the involved discipline/service area.

5.1.2. Paid Holidays and Recesses.

The following holidays shall be contract days on which no work will be required, but regular pay will continue: Independence Day, Labor Day, Veteran's Day, Thanksgiving Recess, Winter Recess, Martin Luther King Day, President's Day, Spring Recess (five [5] working days), and Memorial Day.

5.1.2.1.

The foregoing will be paid days only if they fall within any member's contractual period.

5.1.2.2.

If the Department/Division Chairperson of the affected discipline/service area and the College President determine that Faculty members should work identified paid holidays and/or recesses, then compensatory hour(s)/day(s) equal to the time worked shall be granted.

5.1.3. In-service and orientation days

The regular contract year shall include a minimum of one (1) day each semester that will be used by the individual member in preparation for the opening of each semester.

5.2. Residential Instructional Staff Positions

5.2.1.

Residential instructional staff authorized positions at any college are based on full-time day student equivalents (FTSE), from the 45th-day count of the preceding fall term, plus day FTSE generated by open-entry/open-exit classes, electronic media classes, and short-term classes during the nine-month academic

year. This is converted to full-time teacher equivalents (FTTE) on the basis of a fifteen (15.0) credit load. FTTE–student ratios are adjusted on the basis of a 27:1 ratio for academic courses, 20:1 for occupational courses, and 10:1 for health-related courses.

5.2.2.

The individual colleges (except Rio Salado), during the day program, shall be staffed at 90% of the projected enrollment with Residential Faculty. NonResidential Faculty employed to replace Residential Faculty on leave or in reduced-load assignments will not be considered in computing this ratio. However, for the purpose of department/division growth, flexibility, and unusual staffing requirements, any college may utilize additional qualified nonResidential personnel. Requests of department/division chairpersons will be forwarded to the college staffing committee for review and recommendation for the College President/Provost. The college staffing committee will then be informed by the College President/Provost of any subsequent decision.

5.2.3.

If the teaching load within any department/division by nonResidential personnel equals one (1) or more full-time equivalents (FTTE) for two (2) continuing semesters, the College shall make every effort to bring about the hire of full-time Residential Faculty members.

5.2.4.

If FTSE, adjusted by academic, occupational, and health ratios, based on an averaged 45-day count of the preceding Fall and Spring term, produces a FTTE of less than 90% of the College's previous year's FTTE, the College will be considered to be overstaffed. Should this condition occur, a study of the factors relating to the condition shall be made by the College Staffing Committee, and appropriate administrative action will be taken.

5.3. Faculty-Member Load

- 5.3.1.** A full-time load for an instructional Faculty member will be 30 load hours per year. This will be funded by a permanent reduction in Faculty Professional Growth. This load will normally be split between two (2) consecutive semesters. Given comparable qualifications, full-time Residential Faculty are to be given first consideration when class assignments are staffed during the day program. Exceptions to the two (2) consecutive semester loading will be permitted with mutual agreement between the Faculty member and the appropriate Instructional Vice President. Lecture hours are to be on a one-to-one basis. Laboratory hours are to be counted as 0.7 of a lecture hour. Laboratory hours are those clock hours that exceed the credit hours for a particular course. P.E. activity classes will be given 0.75 load for each instructional period. By mutual agreement of the Faculty member and the administration, the former may accrue an overload in one semester and have a like reduction in the other semester.

5.3.1.1. Instructor Load for Large Classes

<u>Types</u>	<u>Students</u>	<u>Load</u>
Regular Lecture Classes	Up to-59	Regular Load
Classes	60-89	1.5 x Regular Load
	90 & Over	2 x Regular Load
Math	Up to-52	Regular Load
	53-75	1.5 x Regular Load
	76 & Over	2 x Regular Load
English Composition	Up to-44	Regular Load
	45-59	1.5 x Regular Load
	60 & Over	2 x Regular Load

5.3.1.2.

Regular lecture classes that involve separate class sections of different duration shall be calculated on a FTSE-generation basis. For example, if the class is a 15-week, 3-credit class that also contains students registered for 10 weeks/2 credits, the 2-credit students shall count as .67 student each. A 5-week/1-credit student shall count as .33 student. (This provision does not apply to non-lecture-type classes nor to classes in which concurrent sections are offered for the entire semester or where class size is not above the Regular Load.)

5.3.1.3. Field-Trip Courses

5.3.1.3.1. During Faculty member dates of accountability.

Load—0.2 load hours* for each day of field trip conducted during a paid school holiday or employee paid vacation period. Pay will be at the rate as set forth in Section C.3.3. Overload Rate.

* Maximum of 1.0 load for any field trip.

5.3.1.3.2. Outside Faculty member dates of accountability.

Load—1.0 load for the first five (5) days and .17 load per day of field trip in excess of five (5) days.

5.3.2.

When a Faculty member agrees to an overload, his/her compensation will be based on load hours in excess of fifteen (15.0) per semester or thirty (30.0) per academic year.

5.3.3.

If the total teaching load for an instructor is below 30.0 load hours for the academic year, his/her contract amount will be adjusted to reflect this deficiency.

5.3.4.

Experimental loading may be utilized in occupational programs, interdisciplinary programs, or other specialized programs, if approved by the Vice Chancellor for Academic Affairs in consultation with the Vice Chancellor of Human Resources.

5.4. Accountability/Professional Responsibilities

5.4.1.

Instructional Residential Faculty members are required to meet the thirty (30) hours of professional responsibilities per week.

- to meet all classes as scheduled;
- to hold a minimum of five (5) scheduled academic support hours reflective of the instructor's teaching schedule, and to post the time and location of scheduled support hours so that they are publicly accessible to students;
- to participate in department, division, college, and/or district activities as defined in Section 1.2.20; and
- Instructional Faculty reassigned to perform work other than teaching classes shall be accountable for two hours per week for each load hour of reassigned time.

The Department/Division Chairperson and the Faculty member, in consultation with the appropriate administrator, will determine assignments with the final approval of the College President. Faculty members will be permitted to teach hours in the evening/weekend program to make their load.

All Faculty shall meet their hours of accountability/professional responsibilities within the parameters of the day program as defined in Section 1.2.3. unless initially hired under different circumstances or amended by mutual consent.

5.4.2

Hours of accountability for service Faculty who teach classes will be reduced at the rate of two hours and twenty minutes for each load hour. To meet the thirty-five (35) hours per week of accountability/professional responsibilities, service Faculty members are required to meet scheduled department/division assignments and other College/District-related activities as defined in Section 1.2.20.

5.4.3.

Within the hours of accountability/professional responsibilities, all members are required to maintain equity of assignments and to participate in nonteaching assignments.

5.4.4.

All administratively approved reassigned time will be processed through and with the approval of the College President. Such reassigned time shall be part of the hours of accountability/professional responsibilities. Other paid activities beyond the base contract will not be considered part of the hours of accountability/professional responsibilities.

5.4.5.

The College President, or designee, shall develop a list of approved extracurricular assignments, with the advice and recommendation of the College Faculty Senate President. Faculty assignments shall be determined by the College President after consultation with the College Faculty Senate President.

5.4.6.

The Residential Faculty assumes reasonable responsibility for District/College facilities and equipment under its supervision and control.

5.4.7.

Nonteaching professional responsibilities may be assigned by the Chancellor or designee. Notification of such reassignment will be through the Office of the College President. Such activities include participation in Faculty curricular and educational development meeting(s), in-service training program(s), ceremonial exercises, academic advisement, and such other activities as may reasonably be required for the full and proper discharge of the member's responsibilities.

5.5. Assignments Beyond the Regular Contract

(See Appendix C.)

5.6. Substitution

Qualified substitutes may be employed when deemed necessary by the College President or designee. Qualified Residential Faculty members may be employed as substitutes. (Substitute Pay Schedule—Appendix C.)

5.7. Hiring Practices—Employment Requirements

5.7.1.

Prior to assuming their duties, all Residential Faculty members will file a loyalty oath as required by the Arizona Revised Statutes.

5.8. Part-Time Residential Faculty Members

5.8.1.

In determining pay for part-time members, with no additional assigned responsibilities, eighteen (18.0) semester load hours will be used in determining prorated salary.

5.8.2.

For an appointive member carrying less than a full load and prorated accountability, fifteen (15.0) semester load will be used in determining prorated salary and sick leave.

5.8.3.

Faculty members who work at least fifty percent (50%), but less than seventy-five percent (75%) of a full-time load will receive fifty percent (50%) of Flexible Benefit credits that they would receive if they were full time. Faculty members who work at seventy-five percent (75%) or more of a full-time load shall be treated as full-time Faculty for benefit purposes.

5.8.4.

An appointive member serving in a part-time capacity will receive full benefits provided that the part-time status occurs as a result of illness, disability, and/or administrative approval.

5.9. Sabbatical Leaves

Sabbatical leaves may be granted to qualified members of the Faculty. The administration and conditions of sabbatical leave shall be governed by the policy as stated in Appendix A.

5.10. Professional Unpaid Leaves

Professional unpaid leaves are those leaves that are recommended by the Professional Growth Committee, approved by the Chancellor or designee, and relate to the Faculty member's assigned duties. Therefore, the member is entitled to continuing service credit (advancement on salary schedule and continuous credit for sabbatical leave). The administration and conditions of professional unpaid leave shall be governed by the policy as stated in Appendix A.

6. GRIEVANCE/RESOLUTION OF CONTROVERSY/STUDENT COMPLAINT PROCESS/ INTERNAL INVESTIGATIONS

6.1. Grievance Procedure

A grievance is an alleged misapplication, misinterpretation, or violation of a specific provision(s) of the *Residential Faculty Policies* that adversely affects the grievant. Matters not specifically covered by the *RFP* should be addressed through Resolution of Controversy.

6.1.1.

A grievant may choose one of two processes:

6.1.1.1.

Informal level. Within twenty-five (25) working days of the occurrence of the act or omission giving rise to the grievance or within twenty-five (25) working days of the date when the grievant should reasonably have known of the act or omission, the grievant shall present the grievance orally to his/her immediate supervisor, citing the specific section of the *RFP* which has allegedly been misapplied, misinterpreted, or violated. The purpose of bringing the matter to the attention of the immediate supervisor is to resolve the matter at the lowest level or

6.1.1.2

Mediation process as defined in Section 3.11 may be initiated if all parties agree and follow steps outlined in 3.11.

6.1.2. Formal Level

6.1.2.1. Level 1—Appropriate Vice President.

If the grievant is not satisfied with the disposition of the alleged grievance at the informal level, the Faculty member may file the original grievance, in writing, within seven (7) working days with the Vice President who is the immediate supervisor of the person to whom the grievance was taken at the informal level. If the grievant elects not to file the original grievance in writing within seven (7) working days, the grievance will be considered terminated. If no decision is rendered within five (5) working days after the informal meeting, the grievance is automatically forwarded to the next level. (If the grievant's immediate supervisor at the informal level reports directly to the College President, this step in the grievance process can be omitted.) Within ten (10) working days after receipt of the written grievance, the appropriate Vice President and the Faculty member will meet in an attempt to resolve the grievance.

6.1.2.2. Level 2—College President.

If the grievant is not satisfied with the disposition of the grievance at Level 1, the grievant may, within fifteen (15) working days of the meeting with the appropriate Vice President, forward the written grievance and the response received at Level 1 to the College President. If the grievant elects not to forward the grievance in writing within fifteen (15) working days of the meeting with the Vice President, the grievance will be considered terminated. If no decision is rendered within ten (10) working days of the meeting with the Vice President, the grievance will be automatically forwarded to the next level. Within five

(5) working days, the College President, or designee, will arrange a meeting at a mutually agreeable time and place, such meeting to occur within five (5) working days after the grievant is notified. The College President will issue a written response to the grievant and to the College Faculty Senate President within five (5) working days after the meeting.

6.1.2.3. Level 3—Vice Chancellor.

If the grievant is not satisfied with the disposition of the grievance at Level 2, grievant may, within fifteen (15) working days of the meeting with the appropriate College President, forward the written grievance and the response received at Level 2 to the Vice Chancellor of Human Resources. If the grievant elects not to forward the grievance in writing within fifteen (15) working days of the meeting with the College President, the grievance will be considered terminated. If no decision is rendered within ten (10) working days of the meeting with the College President, the grievance will be automatically forwarded to the next level. Within five (5) working days, the Vice Chancellor of Human Resources, or designee, will arrange a meeting at a mutually agreeable time and place, such meeting to occur within five (5) working days after the grievant has been notified. The Vice Chancellor of Human Resources will issue a written response to the grievant and to the College Faculty Senate President within five (5) working days after the meeting.

6.1.2.4. Level 4—Chancellor.

If the grievant is not satisfied with the disposition of the grievance at Level 3, the grievant may, within five (5) working days after receipt of the written decision, forward the written grievance and response to the Chancellor. The Chancellor or his/her designee will, within fifteen (15) working days after receipt of the written grievance, render a written decision.

6.1.2.5. Level 5—Governing Board.

If the grievant is not satisfied with the Chancellor's decision at Level 4, the grievant may, within five (5) working days, request that the grievance be reviewed by the Governing Board. The Governing Board may, at its option within thirty (30) days after receipt of the written grievance, review the evidence and issue a written decision. Should no written decision be rendered within thirty (30) days, the decision at Level 4 is final.

6.1.3. Miscellaneous

6.1.3.1. Written Decisions.

Decisions rendered at Level 1 that are unsatisfactory to the aggrieved person and all decisions rendered at Levels 2, 3, 4, and 5 of the grievance procedure shall be in writing, setting forth the decision and the reasons therefor, and shall be transmitted promptly to all interested parties.

6.1.3.2. Separate Grievance File

All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any participant. A member shall have access

to all documents pertaining to his/her grievance and may acquire copies of same.

6.1.3.3. Meetings and Hearings.

All meetings and hearings under this procedure shall be conducted in private and shall include only such parties in interest and their designated or selected representatives.

6.1.3.4.

If the aggrieved party is the Faculty Association, the grievance will be initiated at the appropriate level, but in no case lower than Level 2.

6.1.3.5.

Every effort shall be made to resolve year-end grievances prior to the end of the academic year.

6.1.3.6.

The aggrieved may not present any issues at Level 2, 3, 4, or 5 not presented at Level 1

6.1.3.7.

Time limits provided in this grievance procedure may be extended by mutual agreement, in writing, between the aggrieved and the administration.

6.1.3.8.

The term "working day" is any day on which the District Support Services Center offices are open for business.

6.1.3.9.

The grievance procedures established here may not be the sole and exclusive remedy available to a grievant for resolving disputes arising under this document. It is understood that the subject matter forming the basis of the grievance may also be instituted in an administrative action before a governmental board or agency. The provisions of Section 3.9. still apply.

6.2. Resolution of Controversy

Complainants seeking remedy for issues arising outside this policy manual (interpretation, application, or violation of Board policies that have a direct impact on the terms and conditions of Faculty employment, or decisions of unfair or inequitable treatment in such areas as instructional councils) can be appealed for resolution by the following procedures:

6.2.1.

A complainant may choose one of two processes:

6.2.1.1.

Informal level. Within forty-five (45) working days of the occurrence of the act or omission giving rise to the resolution of controversy or within forty-five (45) working days of the date when the complainant should reasonably have known of the act or omission, the complainant shall

present the resolution of controversy orally to his/her immediate supervisor. The purpose of bringing the matter to the attention of the immediate supervisor is to resolve the matter at the lowest level.

6.2.1.2.

Mediation process as defined in Section 3.11 may be initiated if all parties agree and follow steps outlined in 3.11.

6.2.2. Formal Level

6.2.2.1. Level 1—Appropriate Vice President.

If the complainant is not satisfied with the disposition of the alleged resolution of controversy at the informal level or if no decision has been rendered within five (5) working days after the informal meeting, the Faculty member may file the original resolution of controversy, in writing, within seven (7) working days with the Vice President who is the immediate supervisor of the person to whom the resolution of controversy was taken at the informal level. (If the complainant's immediate supervisor at the informal level reports directly to the College President, this step in the resolution of controversy process can be omitted.) Within ten (10) working days after receipt of the written resolution of controversy, the appropriate Vice President and the Faculty member will meet in an attempt to resolve the resolution of controversy.

6.2.2.2. Level 2—College President.

If the complainant is not satisfied with the disposition of the resolution of controversy at Level 1, or if no written decision has been rendered within ten (10) working days, the complainant may, within fifteen (15) working days of the meeting with the appropriate Vice President, forward the written resolution of controversy and the response received at Level 1 to the College President. Within five (5) working days, the College President, or designee, will arrange a meeting at a mutually agreeable time and place, such meeting to occur within five (5) working days after the complainant is notified. The College President will issue a written response to the complainant and to the College Faculty Senate President within five (5) working days after the meeting.

6.2.2.3. Level 3—Vice Chancellor.

If the complainant is not satisfied with the disposition of the resolution of controversy at Level 2, or if no written decision has been rendered within ten (10) working days, the complainant may, within fifteen (15) working days of the meeting with the appropriate College President, forward the written resolution of controversy and the response received at Level 2 to the Vice Chancellor of Human Resources. Within five (5) working days, the Vice Chancellor of Human Resources, or designee, will arrange a meeting at a mutually agreeable time and place, such meeting to occur within five (5) working days after the complainant has been notified. The Vice Chancellor of Human Resources will issue a written response to the complainant and to the College Faculty Senate President within five (5) working days after the meeting.

6.2.2.4. Level 4—Chancellor.

If the complainant is not satisfied with the disposition of the resolution of controversy at Level 3, the complainant may, within five (5) working days after receipt of the written decision, forward the written resolution of controversy and response to the Chancellor. The Chancellor or his/her designee will, within fifteen (15) working days after receipt of the written resolution of controversy, render a written decision.

6.2.2.5. Level 5—Governing Board.

If the complainant is not satisfied with the Chancellor's decision at Level 4, the complainant may, within five (5) working days, request that the resolution of controversy be reviewed by the Governing Board. The Governing Board may, at its option within thirty (30) days after receipt of the written resolution of controversy, review the evidence and issue a written decision. Should no written decision be rendered within thirty (30) days, the decision at Level 4 is final.

6.2.3.

College-level appeal will involve the College Faculty Senate President and shall start at the level next higher than the person involved in the decision in question.

6.2.4.

If the decision under appeal was made at the highest College level, the process will move to the District level.

6.2.5.

District-level appeal will involve the District Faculty Association President and Executive Committee.

6.2.6.

If the decision rendered by the Chancellor at Level 5 is not satisfactory to the Faculty member, he/she may, within five (5) working days, request that the appeal be reviewed by the Governing Board. The Governing Board may, at its option, within thirty (30) days after receipt of the written appeal, review the evidence and issue a written decision, which shall be final. Should no written decision be rendered by the Governing Board within thirty (30) days, the decision at Level 5 is final.

6.3. Conflict Between Student and Faculty Member

When there is a complaint by a student against a member, the proper College authority will work in confidence with the parties to resolve the conflict. A member will not be required to respond to any complaint that is not in writing over complainant's signature or to complaints that do not have specific documentation of incidents, i.e., dates, times, etc. This complaint must be made available to the member involved.

6.3.1.

A student who feels that he/she has been treated unfairly or unjustly by a Faculty member (full-time or part-time) with regard to an academic process such as grading, testing, or assignments, shall discuss the issue first with the Faculty member involved. This conference shall be requested by the student within

fifteen (15) working days from the time the student knew or reasonably should have known about the unfair or unjust treatment. This instructional grievance process shall not be utilized in a case in which a student feels he/she has experienced discrimination. If the student feels that he/she has experienced discrimination on the basis of race, color, religion, national origin, gender, age, disability, veteran status, or sexual orientation, the student shall refer to the Discrimination Complaint Procedures for Students as administered by the Vice President for Student Affairs.

6.3.2.

If, within ten (10) working days of the request for the conference with the Faculty member, the problem is not resolved or the Faculty member has been unable to meet with the student, the student may continue the process by filing a written complaint with the Department/Division Chairperson and appropriate administrative office at the College/Center. This written complaint must be filed within ten (10) working days following the previous deadline. The written complaint will be given to the Faculty member five (5) days before any official meetings are convened.

6.3.3.

Upon receipt of a written complaint, the Department/Division Chair or appropriate college administrative officer will work with the parties in an attempt to resolve the conflict. The Faculty member may ask that the College Faculty Senate President be in attendance. Every attempt will be made to maintain confidentiality during this process.

6.3.4.

A Faculty member will not be required to respond to a complaint that is not in writing and that, when appropriate, did not have the specific documentation including dates, times, materials, etc. The written complaint will be made available to the Faculty member.

6.3.5.

If the grievance is not resolved at this level within ten (10) working days, the student should forward, to the Vice President Academic Affairs or appropriate College/Center administrative office, a copy of the original written complaint with an explanation regarding action taken at each prior level. The Vice President Academic Affairs or appropriate College/Center administrative officer will meet with the student, Faculty member, the College Faculty Senate President if requested by the Faculty member, and Department/Division Chair, and attempt to resolve the issues. This level will be the final step in any grievance process regarding grades.

6.3.6.

If the grievance, other than those concerning grades, is not resolved by the Vice President Academic Affairs or the appropriate College/Center administrative officer, it may be forwarded in writing by the student to the College President for final resolution. The College President or designee will expedite a timely examination of the issues and will issue a final written determination in the grievance process.

6.4. Internal Investigations

As allowed by law, prior to any interview by the District or its representative concerning an internal complaint, a Faculty member against whom the complaint is filed will be provided a copy of the written complaint. A Faculty member will be provided the opportunity to contact a Faculty Association representative, and such representative may attend any interview with the Faculty member.

6.4.1.

Unless otherwise prescribed in this document, at the conclusion of any internal investigation, the Faculty member will receive a copy of the investigator's final recommendation as to the disposition of the matter under investigation. This copy will be provided before the District proceeds with any discipline against the Faculty member.

6.4.2.

Following receipt of the written copy of the investigator's final recommendation, the Faculty member may attach rebuttal information to the recommendation before the District proceeds with any discipline against the Faculty member.

7. EFFECT OF POLICY

7.1. Separability

In the event that any provision of this policy is contrary to any *Residential Faculty Policies* adopted by the District prior to the effective date of this policy acceptance, the provisions of this policy shall apply. In the event that any provisions of these policies shall be declared invalid by any court of competent jurisdiction, such decisions shall not invalidate the entire policy, it being the express intention of the parties that all other provisions not declared invalid shall remain in full force and effect.

7.2. Statement of Good Faith

Both parties agree that, during the course of developing this policy, each party had the opportunity to make proposals, assess proposals, and analyze positions. The parties further agree that all obligations and benefits herein are the result of voluntary agreement. This document contains the full and complete agreement reached on issues considered. No amendment or supplement to this policy shall be deemed effective unless agreed upon according to the provisions of Section 2.9., reduced to writing, ratified by the Residential Faculty, and approved by the Governing Board.

7.3. Compliance Between Individual Contract and Policy

Any individual contract between the Board and an individual Faculty member (except in the case of certain specially funded positions) shall be subject to and consistent with the terms and conditions of this policy.

7.4. Renewal and Process for Successor Agreement

This agreement shall remain in full force and effect until July 1, 2011, and thereafter from year to year unless either party gives written notice of an intention to reopen negotiations no later than September 1. In the event neither party reopens negotiations, the Governing Board may, at its option, extend the current agreement for a specific period of time up to one year.

7.4.1. Time to Submit Proposals

By September 15, using the process described in Appendix G, the Vice Chancellor responsible for Business Services will provide the Faculty Association with the information necessary for effective compensation discussions and negotiation. After September 15, but no later than November 15, the Faculty Association will make formal proposals to the Board regarding wages, benefits and working conditions.

7.4.2. Meeting Requirements

No later than November 15, the Faculty Association and the Board, or its designee, shall begin "meeting and conferring" at mutually agreed upon times and places, for the purpose of entering into a written agreement. Meetings shall be at least three hours in duration, unless mutually agreed otherwise, and shall continue weekly, unless mutually agreed otherwise, until an agreement is reached, or an impasse is declared by either party.

7.4.3. Ground rules

Mutually agreeable ground rules shall be decided upon by the parties and shall be adhered to while meeting and conferring.

7.4.4. Proposals And Tentative Agreements

All proposals by the parties shall be in writing, and the parties shall initial all tentative agreements.

7.4.5. District Response

Within 30 days of receiving a proposal, the Board or its designee, shall submit specific written responses to the Faculty proposals.

7.4.6. Presentation To The Board

The Faculty Association shall be permitted to address the Board in support of its proposals at a Governing Board meeting.

7.4.7. Board Decision

On or before April 1, all areas of agreement, areas in dispute and still under consideration shall be submitted to the Board for their consideration and decision.

7.4.7.1.

The Board may accept, reject or modify those areas of agreement within the proposed agreement or may take whatever action it feels appropriate with regard to any areas in dispute consistent with its authority.

7.4.7.2.

Final action by the Board and ratification by the Residential Faculty shall constitute the agreement for a budget year and shall be contained in the *Residential Faculty Policies*.

7.5. Date of Implementation for Policy Change(s)

Any change in policy from the prior year will become effective July 1 (unless otherwise indicated in this policy manual), and shall continue in effect or terminate, as provided in section 7.4. above

7.6. Attestation Page

This agreement shall become effective upon ratification by the parties except as specifically provided otherwise in this agreement. This agreement, which will become effective on July 1, 2010, shall constitute the full and complete commitment between both parties.

APPENDIX A PROFESSIONAL GROWTH POLICIES

A.1. INTRODUCTION

A.1.1.

The Maricopa County Community College District has, through adoption of this document, recognized a procedure which permits instructors to advance on the salary schedule through longevity as well as various types of activities directly related to increase professional competency. The liberality of this policy and the absolute requirements of the utmost care and expenditure of public money demand complete adherence to the concepts of the policy and valid justification of all requests for salary advancement.

A.1.2.

The policy is essentially a method of recognizing, in a substantial way, the efforts of members as they engage in professional activities related to their service to the District. The policy is not primarily designed as a means of rewarding the member financially, nor is it intended that compensation be provided for activities considered to be a part of a member's professional obligation.

A.1.3.

Because of the great variety of activities that are recognized and the even greater range of individual requests, it is frequently necessary to apply interpretive judgment to determine whether the request comes within the purview of the policy. Part of the responsibility of the Professional Growth Committee is to make such determinations and use the vehicle of a subcommittee.

A.1.4.

As a means of providing uniformity in the making of judgment, a statement of guidelines has also been prepared. These guidelines will be prepared and reviewed annually by the Professional Growth Committee. The guidelines will be approved annually by the Faculty Executive Council. These guidelines will be used in the interpretation of the policy. All concerned will familiarize themselves with them prior to the submission of requests.

A.2. PROFESSIONAL GROWTH ADVANCEMENT— GENERAL INFORMATION

A.2.1.

For a Faculty member to be credited with horizontal increments, transcripts, grade slips, official notices showing satisfactory completion for academic coursework, and proof of attendance or other types of verification required for non-academic advancement activities must be on file in the District Human Resources Division by September 15 of the contract year.

A.2.2.

No request for academic credit will be approved for any activity accomplished earlier than two (2) years prior to the submission of the request. Course work completed prior to the Faculty's hire, is deemed to be a condition of their employment which is used in determining their initial placement on the salary schedule, and therefore is not eligible under Professional Growth. Inclusion of coursework for horizontal placement may be appealed under *RFP*, Section 4.4. Salary Placement Review Board.

A.2.3.

Some activities require prior approval from the Faculty Professional Growth Committee. See the guidelines for details.

A.2.4.

The Professional Growth Committee will at all times attempt to make determinations in an open and unbiased manner that is free from conflict of interest. Accordingly, Department/Division Chairs who are members of the Professional Growth Committee will abstain from decisions that affect the professional growth applications of Faculty members in their respective departments/divisions; likewise, Faculty members who are on the Professional Growth Committee will abstain from decisions that affect the professional growth applications of their respective chairpersons. Other potential conflicts of interest will be treated in a similar manner.

A.3. POLICY FOR HORIZONTAL ADVANCEMENT ON THE SALARY SCHEDULE

A.3.1. Approval of Individual College Courses

A.3.1.1. Graduate Courses Within Subject Field Policy.

Graduate-level courses for which credit is granted, and not previously taken within the subject field, are almost always approved. See the guidelines for details.

A.3.1.2. Undergraduate Courses Within Subject Field.

Undergraduate courses within subject field will be acceptable if approved. See the guidelines for details.

A.3.1.3. Graduate Courses Not Within Subject Field.

Graduate courses not within the subject field are acceptable if the course has a direct application to the professional responsibility of the member. Courses required for the correction of Maricopa Community Colleges' Faculty hiring qualifications deficiencies will not be accepted for advancement on the salary schedule, e.g., "The Community College" course. See the guidelines for details.

A.3.1.4. Undergraduate Courses Not Within Subject Field.

Undergraduate courses not within the subject field may be acceptable if approved. See the guidelines for details.

A.3.2. Approval of College Courses While Pursuing a Degree

A.3.2.1. Graduate Degree

Not all graduate degrees advance the cause of the professional competency of the member. Specific justification must be supplied to prove that the completion of the degree will produce specific benefit and credit to the field of responsibility. Exceptions will be made for degrees leading to a probable future assignment. See the guidelines for details.

A.3.2.2. Undergraduate Degree

Faculty members who are pursuing the Associate or Bachelor's degree must file a "Program of Study" as outlined by the degree-granting institution, and obtain approval from the appropriate Vice President. See the guidelines for details.

A.3.3. Approval of Nonacademic Activity.

The maximum nonacademic activity credit allowed to advance on the salary schedule will be limited to fifty-seven (57) credit hours of the total eighty-five (85) hours possible. A clear and complete description of the nonacademic activity must be submitted with the request for credit approval. The Professional Growth Committee may request documentation and/or verification of the activity. See the guidelines for details.

A.3.3.1. Travel.

One (1) credit will be granted for each consecutive ten (10) days of travel. The maximum credit allowable in the area is twelve (12) credit hours. See the guidelines for details.

A.3.3.2. Work Experience.

The work experience must be directly related to the member's field of responsibility, and one (1) credit will be granted for each thirty-five (35) clock hours of work experience. See the guidelines for details.

A.3.3.3. Clinics, Conferences, Workshops and Seminars.

One (1) credit hour will be granted for each eighteen (18) hours in clinics, conferences, workshops or seminars. See the guidelines for details.

A.3.3.4. Other Professional Activity.

One (1) credit will be granted for each thirty-five (35) clock hours of service performed. The activity must be in addition to the professional responsibilities of the instructor, and these activities must occur outside the regular hours of accountability. See the guidelines for details.

A.4. SABBATICAL LEAVES

A.4.1. Purpose of Leave

Sabbatical leaves are granted to qualified members of the Faculty for intellectual stimulation normally to be attained by study, research, travel, suitable work experience, or other creative activity. The purpose of the sabbatical leave is to upgrade the educational program of the college by improving Faculty competency.

A.4.2. Administration of Sabbatical Leave Policy

The Sabbatical Leave Subcommittee of the Professional Growth Committee shall administer the sabbatical leave policy. The duties of the subcommittee shall be (A) to prepare application forms; (B) to screen application forms; (C) to make recommendations for sabbatical leaves to the Professional Growth Committee. The subcommittee shall consist of the Professional Growth Committee Chairperson, one (1) Faculty representative from each of the colleges, and two (2) Vice Presidents of Instruction or designees.

A.4.3. Application and Recommendation Procedures

A.4.3.1.

The Office of the Vice Chancellor of Human Resources shall publish, by May 1, an informational listing of persons eligible for sabbatical leave for the following year.

A.4.3.2.

Applications must be submitted to the Vice President Academic Affairs for forwarding to the Sabbatical Leave Subcommittee no later than October 1. If

October 1 falls on a weekend, the due date is the Friday prior to October 1. The Sabbatical Leave Subcommittee may request additional written or oral explanations of proposals.

A.4.3.3.

The Subcommittee shall submit its recommendations to the Professional Growth Committee. The Professional Growth Committee shall present its list of recommendations to the Vice Chancellor for Academic Affairs prior to December 30. The District Faculty Association President will receive a copy of this list.

A.4.3.4.

Sabbatical leave recommendations shall be presented to the Governing Board prior to January 30. If the Chancellor changes the recommendation of the Professional Growth Committee, the committee will be advised prior to presentation to the Governing Board. Both the Chancellor's recommendations and the Professional Growth Committee's recommendations will be presented.

A.4.3.5.

Applicants will be notified by the Vice Chancellor for Academic Affairs following Governing Board action. The District Faculty Association President will also be notified should there be deviations from the list prepared by the Professional Growth Committee.

A.4.3.6.

Recommendations made in the Spring are for the Fall semester of that calendar year and the Spring semester and Summer of the next calendar year.

A.4.4. Criteria for Sabbatical Selection

Criteria for sabbatical selection will include, but will not be limited to, the following: (The order of listing does not indicate a priority.) See the guidelines for details.

A.4.4.1. Service to the District.

A.4.4.2. Completion of advanced degrees.

A.4.4.3. Completing resident requirement for an advanced degree.

A.4.4.4. Research and publication.

A.4.4.5. Curriculum and materials development.

A.4.4.6. Planned and approved travel related to the subject field.

A.4.4.7. Practical training of job experience in a subject-related field.

A.4.4.8. Updating of knowledge in subject field.

A.4.5. Conflicts

If two (2) sabbaticals of comparable merit are received, the Faculty member applying for his/her first sabbatical will be given preference.

A.4.6. Compensation and Financial Arrangements

A.4.6.1.

A Faculty member on sabbatical leave will receive full pay for one-half (1/2) of the contract year and three-fourths (3/4) pay for the second one-half (1/2) of the contract year. A "short-term" sabbatical (defined as ten [10] weeks in length and taken outside of the contract assignment) may be granted. Pay for short-term sabbaticals will be ten (10) load hours at the overload rate.

A.4.6.2.

If the sabbatical activity includes remuneration from other than the MCCCCD, the sabbatical proposal must clearly state all financial arrangements. The Professional Growth Committee may recommend (a) a sabbatical with regular pay; (b) an adjustment in sabbatical leave salary; (c) a leave without pay; or (d) denial of the proposal.

A.4.6.3.

Faculty members on sabbatical leave will be paid at the same interval as other employees unless some other arrangement is made that is mutually satisfactory to the recipient and the administration, and all other Faculty benefits shall accrue.

A.4.6.4.

The Faculty member's status shall not change while on leave, and the time spent on sabbatical leave will not interrupt progress on the salary schedule. The Faculty member receiving the sabbatical will return to the position that he/she left unless, by written mutual agreement, other arrangements were made prior to the sabbatical having been granted.

A.4.6.5.

A Faculty member on sabbatical will retain his/her status as a member of the teacher retirement fund according to the regulation of the State Retirement System.

A.4.7. Policy

A.4.7.1.

Faculty members shall be eligible for consideration for sabbatical leave after serving twelve (12) consecutive semesters as Residential Faculty members in the Maricopa County Community College District. The twelve (12) consecutive semesters will not be considered as having been "broken" if the Faculty member accepts a "temporary assignment" in another policy group for a period of not more than two (2) years.

A.4.7.2.

A Faculty member is eligible for an additional sabbatical leave after completing twelve (12) consecutive semesters following the prior sabbatical.

A.4.7.3.

Every eligible Faculty member following specified Professional Growth procedures shall be given equal consideration in granting sabbatical leaves except as outlined in section A.4.5.

A.4.7.4.

The Professional Growth Sabbatical Committee recommends the Residential Faculty of each College to be granted sabbatical leave based upon criteria in A.4.4. and available funding for sabbatical leaves.

A.4.7.5.

Members on sabbatical leave may not receive any remuneration from MCCCDC other than registration fees, conference fees, or reimbursement for travel funds directly related to and necessary for their sabbatical. Faculty requesting professional growth funds as part of their sabbatical must include these items as part of their sabbatical proposal. Faculty members on sabbatical are eligible for, but not guaranteed, registration, conference, and travel funds. Approval of a sabbatical proposal does not guarantee funding of professional growth funds.

A.4.7.6.

Members on sabbatical leave may not participate in voluntary services to the District or to College/District Faculty Governance unless permission is granted by the Professional Growth Committee and the Vice Chancellor for Academic Affairs.

A.4.7.7.

A short-term sabbatical may be granted only if the goal cannot be accomplished during either a Fall or a Spring semester. A short-term sabbatical may not be taken in conjunction with a regular semester sabbatical.

A.4.7.8.

Any change in the sabbatical proposal must be formally approved by the Governing Board upon the recommendation of the Professional Growth Committee and the Chancellor or his/her designee.

A.4.7.9.

Faculty members unable to complete their sabbatical programs because of an emergency, accident or illness, shall be allowed to modify the programs and shall continue to receive contract benefits, provided they have furnished satisfactory notification and evidence to the Professional Growth Committee and the Vice Chancellor for Academic Affairs. The Vice Chancellor of Human Resources and the District Faculty Association President will also be notified. Contract benefits will be governed by the benefit and disability provisions of the *RFP*.

A.4.7.10.

In case of alleged failure to follow the sabbatical proposal, the Chancellor will appoint a fact-finding committee to study the case. The committee will include the College President, the College Faculty Senate President, and the Chairperson of the Professional Growth Committee. The committee will inform, without recommendation, its findings to the Chancellor, who will determine appropriate action. If a College does not have a Faculty Senate President, the College President will convene the Faculty to elect the Faculty representative.

A.4.8. Performance Reports

To ensure that the members on sabbatical have begun their leaves according to plan, each shall submit a statement indicating this to the Vice Chancellor for Academic Affairs,

the College President, and the Professional Growth Committee no later than thirty (30) days after the beginning of each semester and summer. Sabbatical salaries will be suspended if this requirement is not fulfilled.

A.4.9. Return from Sabbatical

A.4.9.1.

Each Faculty member returning from leave shall file, within sixty (60) days, a written report with the Professional Growth Committee, the Vice Chancellor for Academic Affairs, and the College President/Provost. An official transcript will serve in lieu of a written report for full-time study programs.

A.4.9.2.

The recipient will be required to sign a promissory note for the sabbatical salary, which shall be forgiven at the rate of one (1) semester for each two (2) semesters of contract fulfilled. A short-term sabbatical will be considered a one (1) semester sabbatical for this obligation. If the recipient is unable to fulfill the term of the promissory note due to death or disability, the note shall be void.

A.4.10. Publication During Sabbatical

A.4.10.1.

When a member satisfies all of the conditions of his/her sabbatical agreement and, apart from the agreement, produces copyrightable material during the term of the sabbatical, he/she shall maintain sole ownership of the material.

A.4.10.2.

When a member produces copyrightable or patentable material as a condition of his/her sabbatical, the copyright or patent remains with the member, but the District retains the unlimited right for students and staff to use the material without payment of royalties. This right will apply to any subsequent revisions of the material.

A.5. PROFESSIONAL UNPAID LEAVES

A.5.1. Purpose of Leave

Professional Unpaid Leaves not to exceed two (2) consecutive semesters may be granted to appointive members of the Faculty for intellectual stimulation normally to be attained by study, research, travel, suitable work experience, or other creative activity. The purpose of the Professional Unpaid Leave is to upgrade the educational program of the College by improving Faculty competency.

A.5.2. Administration of Professional Unpaid Leave Policy

The Professional Growth Committee shall administer the Professional Unpaid Leave Policy.

A.5.3. Application Procedures

A.5.3.1.

Applications for Professional Unpaid Leaves must be submitted to the appropriate Vice President for forwarding to the Professional Growth Committee no later than February 15 and shall include:

A.5.3.1.1. A statement of objectives of the proposed leave.

A.5.3.1.2. A statement relating the proposed leave to assigned duties.

A.5.3.1.3. A letter from the Department/Division Chairperson.
